Love is in the air this month and we would love you to sign up with us!

If you sign a management authority for 1+ years, for your property to be managed with the fabulous RWR property management team in the month of February 2018, **you receive 2% off your management fee for the first 2 months!**

Experience the difference between an agency that provides better value, stress free service and goes over and above to care and look after one of your most expensive assets and investments!

Testimonial

As a medium sized premium residential designer, developer and owner landlord, naturally I've had numerous dealings with letting agents over the last 20 years or so.

I would recommend Linda Healey to anyone seeking a high standard of attention to detail when either seeking or wishing to lease a residence. Our experience with the recent letting of 7 Trillo Road, Subiaco to a group of doctors from overseas was a delight. Very professional indeed.

Jack
