

Your very own moving assistant

That will even help get your bond back faster!

Get an invitation

You'll receive an invitation from us to download Move Me Out

Download the App

As soon as you get your invitation, download the free app from the Apple or Android store and sign up with your mobile number.

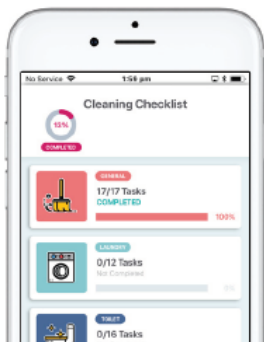

Get organised

Once you're in, take advantage of all the app's features, like booking cleaners and keeping track of your moving milestones, to streamline your move.

Move Me Out is a life saver

We provide our tenants a simple and stress free service with everything they need to get them packed up, moving, and into their new place quicker, it's a must have for anyone about to move house. Move Me Out helps you book cleaners, removalists and hire vehicles, update your address details, access your rental documents quickly and easily, and even help get your bond back faster.

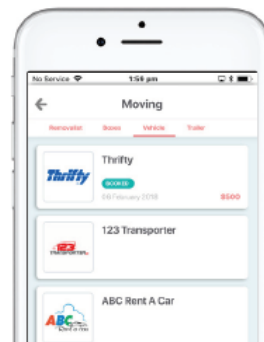

Get your bond back

Making sure you return the property in a clean and tidy condition is key to assist us in getting your bond back faster. Check our cleaning checklist and get to work, or book in a professional to do it for you.

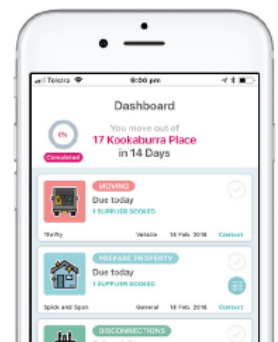

Keep in touch

Access your vacate documents and notices in one handy location, and communicate with your property manager from within the app.

Book a removalist

Browse removalist and vehicle hire services and get access to special discounted rates! Then book something in for moving day.

Countdown reminders

Cleaned your home? Booked a removalist? Returned your keys? Got your bond back? We'll help keep things on track with friendly reminders throughout your move.
