

TENANT(S) SEEKING APPROVAL FOR NBN INSTALLATION

ADDRESS: _____

TENANT: _____

APPROX DATE OF INSTALLATION: _____

REQUESTED LOCATION OF THE INTERNAL NBN BOX: _____

(what room, wall etc)

I/WE the tenant(s) request to install the internal box for NBN as mentioned above.

CONDITIONS OF INSTALLATION

The Owner(s) may accept your request to install NBN Internal Box to the premises based on the following conditions are signed by the tenant(s) and returned to RWR Real Estate prior to the installation.

- NBN can only be installed in the above location.
- The tenant(s) agrees to pay for the cost of any repairs that need to be carried out should there be any damages occurred due to the installation process of NBN with RWR Real Estate's preferred contractor.
- The tenant(s) agrees to pay for all costs incurred in relation to the installation of NBN including any necessary wiring.
- Should a conduit be required from the outside box to inside where the internal box is to be located will be at the tenants cost and must use RWR Real Estate's preferred electrician, however a quote can be obtained before proceeding with the installation should you wish. If this is necessary, please advise the property management department in writing as soon as possible so the quote can be arranged.
- Should the location of the NBN need to be changed, written request must be lodged from the tenant(s) to the agent for re-approval prior to installation.
